# Durham Parks and Recreation provides opportunities for our community to Play More!

## GREETINGS FROM DURHAM PARKS & RECREATION'S DIRECTOR

Every other year a cross-section of Durham residents are surveyed about their satisfaction with the services the City of Durham provides. I am happy to report that this year survey respondents gave Durham Parks and Recreation improved ratings from previous years in nearly every area. We continuously work hard to improve our services and facilities, and use our resources in the most efficient ways. We appreciate when you notice the improvements in our parks, recreation centers, program offerings, and more. The survey is also another way for us to learn what our residents think should be priorities for our department. This input will help to shape our future.

To view the results of the resident satisfaction survey, please visit the City's website at [www.durhamnc.gov](http://www.durhamnc.gov) and search for "resident satisfaction survey."

Communicating with the public about the decisions we make is a priority at Durham Parks and Recreation. We strive to take the opinions and concerns that we hear from Durham residents and make improvements as we can. Many situations are more complex than they seem – for example, making improvements in parks that are built in a floodplain. Many of our parks are in that situation, and therefore expanding or changing the layout of the park is severely restricted by state and federal laws. Landscaping decisions are affected by environmental considerations as well, such as when tall grass is left near a waterway to comply with stream restoration regulations. These rules require us to be creative about how we continue to improve our parks while maintaining a healthy and safe environment for Durham residents to enjoy. We strive to make the best decision in each situation, and then communicate the reasoning behind it. Even if you didn't complete a resident satisfaction survey, we continue to welcome your input and involvement in improving our facilities and services in the Durham community! Email us at [dprinfo@durhamnc.gov](mailto:dprinfo@durhamnc.gov) or visit our website at [www.DPRPlayMore.org](http://www.DPRPlayMore.org).

## ADOPT-A-PARK and ADOPT-A-TRAIL Programs

Coordinator: Mal Atkinson (919) 560-4355, ext. 27205, [malgosia.atkinson@durhamnc.gov](mailto:malgosia.atkinson@durhamnc.gov)

### A Great Way to Give Back

Volunteers from all over the community support Durham's parks and trails through the Adopt-A-Park and Adopt-A-Trail (APAT) programs. This program is a great opportunity for you or your organization to make a positive difference in your community.

Since 2003, community groups have supported their community by adopting parks and trail segments in Durham through the Adopt-A-Park and Adopt-A-Trail (APAT) programs. DPR manages nearly 1,800 acres of parkland in more than 68 parks and

more than 20 miles of paved trails, and we're still growing. The assistance we receive from adopting agencies is invaluable as we make every effort to care for our natural resources.

The City of Durham's Parks and Recreation and General Services Departments provide routine park maintenance and repairs; however, the adopting individuals and organizations give the park or trail the extra care and attention it needs. Adopters work on a variety of projects of their choosing. They have assisted with numerous cleanup,

landscaping, and facility improvement projects.

Any individual or organization interested in bettering our parks and trails can adopt. Contact Mal Atkinson, the Adopt-A-Park and Adopt-A-Trail program coordinator, at 560-4355 or [malgosia.atkinson@durhamnc.gov](mailto:malgosia.atkinson@durhamnc.gov). She will be happy to discuss details of the program, which parks and trails are currently available for adoption, or any questions you may have about the program.

### TEAM CHALLENGE AND LOW ROPES COURSE

At the low challenge course, staff facilitators use a variety of natural and man-made elements, games and initiatives to help groups and individuals develop trust, cooperation, teamwork and leadership skills. Facilitators utilize a 13-element low ropes course, portable elements, hiking trails and other open spaces to create intellectually and physically engaging outdoor experiences for groups. The Discovery Course is full of options, allowing participants to choose their degree of challenge throughout their journey, culminating in a peak experience in the Crow's Nest, which offers birds-eye views of the surrounding area. A final thrill awaits with the participant's choice of the Giant Swing or Zip Line as the exit of the course. The course is designed to motivate by building self-esteem, encouraging risk-taking, developing respect for individual differences and fostering trust through a common experience. Efforts were made to ensure the course is as accessible as possible for all citizens.

Durham Parks & Recreation offers a variety of leisure opportunities for its canine residents. Contact: Ray Jeffers 919-560-4355, ext. 27220 or [DurhamDogPark@durhamnc.gov](mailto:DurhamDogPark@durhamnc.gov).

### DOG PARK

While regular leash walks provide a level of exercise that promotes good dog health, access for off-leash play and socialization is equally important.

- All dogs MUST be registered with DPR annually
- To ensure that we provide a healthy environment for all participants, we have adopted the vaccination requirements recommended by the American Animal Hospital Association.

#### Current vaccination history for:

1. Rabies (1 or 3 year)
2. Distemper/parvo (1 or 3 year)
3. Bordetella (1 year)
4. Fecal exam-negative (1 year)

\*We also accept titer results in lieu of vaccinations except for rabies (state law).

When these requirements are met, a DPR dog park tag is assigned. All dogs must wear their current DPR tag while playing in the park.

#### Fees:

Tags are valid from July 1, 2012 through July 31, 2013. Fees are not pro-rated.

#### City Residents:

CR PC: \$15/first dog \$13/each additional dog(s)

CRNPC: \$17/first dog \$15/each additional dog(s)

#### Non-City Residents:

NCPC: \$20/first dog \$18/each additional dog(s)

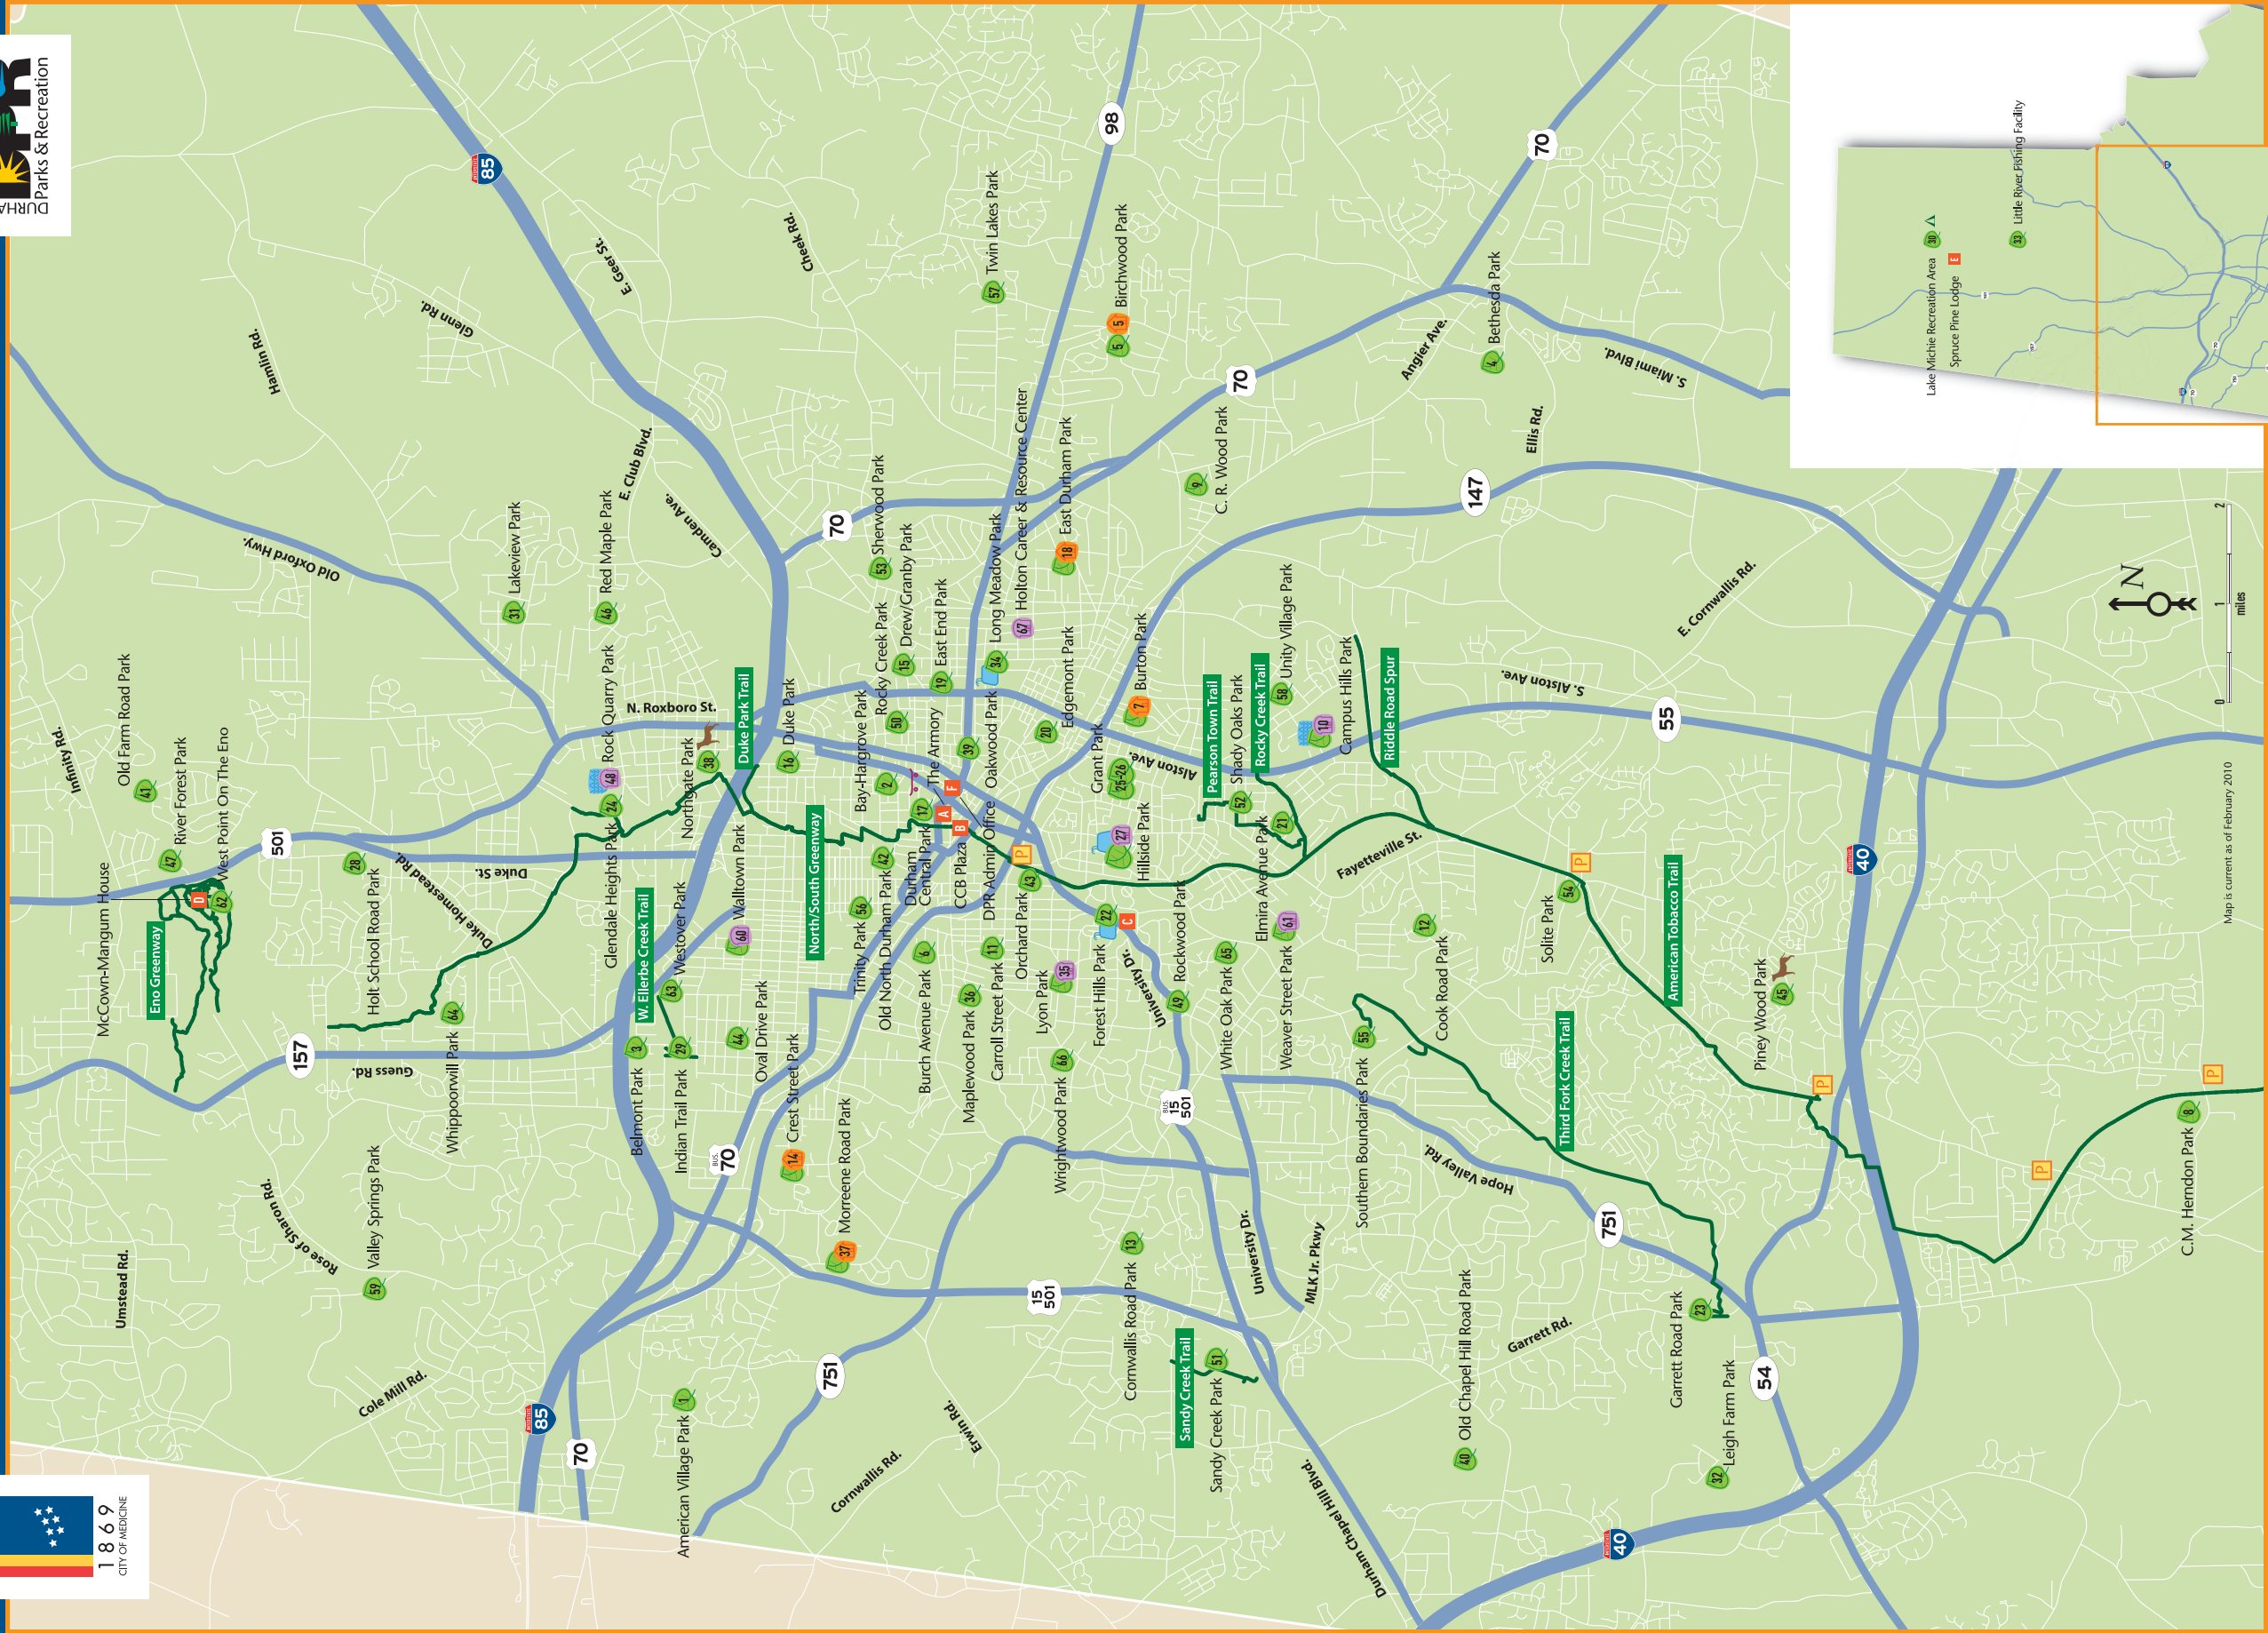

NCPC: \$22/first dog \$20/each additional dog(s)

#### DPR provides three off-leash areas for canine fun:

- Pineywood Park (located at 400 E. Woodcroft Pkwy.) has four separate areas, dog waste bag dispensers, waste receptacles, benches, water fountains and information kiosks.
- Northgate Park (located on Lavender Ave) offers two separate areas, dog waste bag dispensers, water fountains, and information kiosks.
- Downtown Durham Dog Park (located on the corner of Roxboro and Elliott Streets) offers two separate areas, dog waste bag dispensers, and benches.

## CANINE OBEDIENCE

DPR offers a series of canine obedience classes that benefit the relationship between people and their four-legged companions. Our Puppy Class is designed for puppies age 12 weeks - 6 months. This class will get your puppy off on the right path with classes that encourage good behavior and establish a strong bond between you and your new best friend. Our Beginner Class is for dogs age 6 months and older. The training in this class provides the proper foundation for learning and correcting problems in the home. We also offer an Introduction to Canine Good Citizen class, in which your dog will expand their knowledge of basic obedience skills, and learn to follow
